

WOODLAND OVERSEAS SCHOOL

An International School

Dear Parent

Summer Vacation is the time for the children to explore their myriad interest and indulge in various activities which would lead to their all-round development.

The activities have been designed to fire the imagination of students while exciting them to explore, discover and reinvent.

So, here are few interesting activities to keep you going through the summer break.

1. Make a tablemat on the chart of any colour (size 30 x 45 cm) by writing tables from 6 to 15 and laminate or cover it with transparent sheet. Please check the sample attached with it.

Write your name / class/ section on top
