

# SUMMER VACATION HOMEWORK

GRADE - 5

SESSION 2023-2024

Summer vacation: the perfect time to make memories that will last a lifetime.

Summer is messy. Summer is fun.  
Summer is spending all day in the sun.  
Summer is campfires, s'mores and late nights.  
Summer is windy days spent flying kites.  
Summer is tan lines and splashing in lakes.  
Summer is mornings with chocolate pancakes.  
Summer is time spent with family and friends.  
Summer is hoping that it never ends.

*Holidays are an opportunity to journey within!*

Summer Vacation are synonyms with fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places and watching fun filled show. But there is a lot more you can do to make your vacations more favourite things. Here is a "Summer Vacation Activity Treasure Box" just for you. # TRAVEL EXPENDITURE

## PLAN

Kerala is a beautiful state located in the southern part of the country. This state is known to enjoy a wide array of flora and fauna. Imagine a family of 4 adults are planning a trip to watch the Flora and Fauna of this state. They are visiting Kerala from New Delhi for 7 days. Solve the problems given below to calculate their total cost for the entire week.

a) **Air fare:**

A single round ticket for one adult costs 9000. How much is the total air fare for 4 adults?

b) **Package tour:**

The family decided to take a packaged tour for the entire week. The package included the hotel stay on a double room sharing basis and travel by taxi in and around Kerala. The room was given at a cost of 2500 per day. Two such rooms were booked for the entire week. The local travel cost the family 20000 for the week. Calculate the total cost of the package tour.

c) **Lunch:**

The family spends around 2000 everyday on lunch. What is the amount spent by them on lunch that week?

d) **Shopping:**

The family went to the local market to shop for souvenirs and traditional clothes. Their bill amounted to a total of 13482. One of them paid an amount of 15000 to the shopkeeper. How much money should he get back?

e) **Dinner:**

The family went out for dinner to a five star restaurant. Their total amount was 5460. They also had to pay a service charge of 485. Find the total bill amount.

f) **Total amount spent on holiday:**

Find out the total expenditure the family spent on their holiday.
